

RESIDENT MANAGER- Brickyard Creek Apartments- Red Bluff, CA

PURPOSE

The role of the Resident Manager is to ensure the fiscal and physical integrity of their property as well as create a safe and healthy community for tenants. The Resident Manager shall consistently adhere to all regulations and maintain compliance for the property.

ESSENTIAL RESPONSIBILITIES & DUTIES

- Maintain regularly scheduled office hours at the property and be on-call other hours.
- Maintain all tenant files and related documents in well-organized, orderly condition.
- Become knowledgeable in and appropriately enforce the terms of the Lease Agreement and House Rules. Document any tenant non-compliance and initiate eviction process for non-compliant tenants (with supervisor approval).
- Become knowledgeable in program regulations (i.e. MHP, HOME, Tax Credit, Section 8), adhering to statutory regulations and deadlines.
- Become knowledgeable in Fair Housing regulations and procedures and strictly adhere to them.
- Receive and process Community Interest Forms and applications, maintain and regularly update applicant waiting list. Notify all applicants of the disposition of their applications after final screening.
- Execute lease agreements and all other move-in documents after written approval of the application by Housing Consultants.
- Complete initial certification and annual re-certification procedures for all residents.
- Perform initial and ongoing occupancy orientation with all residents, especially regarding House Rules. Perform all move-in and all subsequent inspections in a timely manner.
- Serve 3-day notices to pay rent or quit and 30 day/ 60 day notices to vacate (with supervisor approval). Receive notices from and inform departing residents of their rights and responsibilities upon termination of tenancy.
- Maintain, submit, and reconcile monthly cash receipts journals and tenant accounts. Prepare rent rolls and reconciliation reports per established deadlines. Collect, receipt, and deposit all funds received for rent, security deposits, and other funds, and post and maintain individual tenant ledger accounts. Manage a petty cash account for minor project expenses.
- Implement the basics of the preventive maintenance plan. Perform walk-around inspections to identify the tasks necessary to keep the grounds and buildings looking their best and monitor to ensure that grounds are quiet and secure, per House Rules.
- Receive, document, and appropriately respond to all requests for maintenance, complaints, and problem situations.
- Schedule and supervise the work of maintenance and landscaping staff and vendors, confirming that all work ordered has been completed satisfactorily.

Community Housing Improvement Program July 2020

- Ensure that basic repairs, painting, and turnovers of vacant apartments are completed in a timely manner. Assist with turnover work if needed.
- Consult with Regional Manager (Supervisor) and Facility Manager regarding maintenance and landscaping work.
- Inform your supervisor in advance if you are leaving the Red Bluff area during designated office hours or when on-call, to ensure adequate back-up coverage.
- Be willing to share on-call responsibilities with other staff and respond to emergencies in a timely manner.
- Carry out other duties as assigned.

REQUIRED KNOWLEDGE AND SKILLS

- Experience in property management preferred.
- Proficient in speaking and writing in English.
- Must become Tax Credit Certified within 6 months of hire. (Agency pays for certification).
- Able to operate Windows-based computer programs, including Microsoft Office & Outlook.
- Capable of utilizing internet-based property management software (after being trained).
- Courteous, tactful, diplomatic, and appropriate in interactions with coworkers, tenants, and vendors; accepting of cultural diversity and the economic and social situations of low-income individuals.
- Must be well organized, self-motivated, and able to work with minimal supervision to prioritize, juggle, and complete tasks in a timely manner.
- Ability to do creative thinking, problem solving, and conflict resolution as an individual or as part of a team.
- Ability to understand and follow Fair Housing Laws.
- Ability to comply with policies regarding tenant confidentiality.
- Ability to appropriately represent the community & CHIP to the public and potential applicants.
- Ability to complete accounting and bookkeeping tasks.

QUALIFICATIONS AND EDUCATION

- High school education or equivalent
- Must have reliable vehicle, current valid California Driver's license and be insurable under the criteria established by CHIP's general liability carrier. Must provide current proof of insurance at the levels specified by the CHIP travel policy.

PHYSICAL REQUIREMENTS

See Attached

Reasonable accommodations as required by the Americans with Disabilities Act (ADA) will be made available, as necessary. Requires successful completion of a conditional offer physical examination conducted by Enloe Occupational Health Center.

Physical Demands and Working Conditions Assessment

Position Title:	Resident Manager	
Date:	6/1/2017	
Activity Requirements (check as many as may apply)		
<input checked="" type="checkbox"/>	Standing	Standing is required for sustained periods of time.
<input checked="" type="checkbox"/>	Walking	Workers are required to move about on foot to accomplish tasks, particularly for long distances or to move from one work site to another.
	Balance	Workers are required to maintain balance when walking, standing or crouching, even on narrow, slippery or moving surfaces. Check only if the amount of balancing required could be considered excessive or out of the ordinary.
<input checked="" type="checkbox"/>	Climbing	Workers are required to go up and/or down stairs, ladders, scaffolding, poles, etc. using their feet/legs and/or hands/arms. Check only if the amount and kind of climbing required could be considered excessive or out of the ordinary.
	Reaching	Requires workers to extend their hands/arms in any direction.
<input checked="" type="checkbox"/>	Stooping	Workers are required to bend down and forward from the waist. Check only if a considerable amount of stooping occurs and if it requires full motion of the legs, feet and back muscles.
<input checked="" type="checkbox"/>	Kneeling	Requires bending legs at the knee to come to a rest on knee(s).
<input checked="" type="checkbox"/>	Crouching	Requires bending the body downward and forward by bending the leg(s) and spine.
<input checked="" type="checkbox"/>	Crawling	Workers are required to move about on hands/knees or hands/feet.
<input checked="" type="checkbox"/>	Pulling	Requires using upper extremities to exert force in order to draw, haul, or tug objects in a sustained motion.
<input checked="" type="checkbox"/>	Pushing	Requires using upper extremities to press against something with steady force in order to thrust forward, downward or outward.
<input checked="" type="checkbox"/>	Lifting	Workers are required to raise or lower objects or move objects from place to place. Check only if considerable lifting is required and includes substantial use of upper arms/hands and back muscles.
<input checked="" type="checkbox"/>	Fingering	Requires picking up, pinching, twisting, typing or working primarily with fingers (as opposed to working with the whole hand).
<input checked="" type="checkbox"/>	Grasping	Workers are required to hold onto objects with their fingers/palms.
<input checked="" type="checkbox"/>	Talking	Requires workers to express themselves by speaking. Includes conveying detailed or important spoken instructions accurately, loudly, or quickly.
<input checked="" type="checkbox"/>	Hearing	Workers are required to distinguish sounds at normal levels (with or without correction) and be able to receive detail information orally, and to discriminate between sounds.
<input checked="" type="checkbox"/>	Repetitive Motion	Requires workers to move their wrists, hands, and/or fingers repetitively.
	Other	
Physical Requirements (check only one)		
	Sedentary Work	Requires workers to expend up to 10 pounds of force occasionally and/or smaller amounts of force frequently. The force is used to lift, carry, pull or otherwise move objects. Jobs are considered sedentary if walking and standing are required only occasionally.
	Light Work	Requires workers to expend up to 20 pounds of force occasionally, and/or up to 10 pounds of force frequently, and/or smaller amounts of force frequently. NOTE: If the work requires exertion of forces greater than that for sedentary work and the worker sits most of the time, the job is rated for light work.
<input checked="" type="checkbox"/>	Medium Work	Requires workers to expend up to 50 pounds of force occasionally, and/or up to 30 pounds of force frequently, and/or up to 10 pounds of force routinely.
	Heavy Work	Requires workers to expend up to 100 pounds of force occasionally, and/or up to 50 pounds of force frequently, and/or up to 20 pounds of force routinely.

Physical Demands and Working Conditions Assessment

	Very Heavy Work	Requires workers to expend over 100 pounds of force from time to time and/or in excess of 50 pounds of force frequently, and/or in excess of 20 pounds of force routinely.
	Other	
Visual Requirements (check only one)		
x		Workers are required to perform activities such as: preparing/analyzing data/figures; viewing a computer screen; reading; inspecting small objects for defects, operating machinery; using gauges and other measuring devices; and/or assembling parts with close eye contact.
		Workers are required to perform activities such as: operating machinery and/or power tools at or within arm's reach; performing non-repetitive tasks such as carpentry, plumbing, painting, and repairing machinery.
		Workers are required to operate motor vehicles and/or heavy equipment such as forklifts, backhoes, and/or bulldozers.
		Workers are required to review/inspect their assigned work, the work of others, or facilities or structures.
	Other	
Working Conditions (check as many as may apply)		
x		Workers are subjected to inside environmental temperature changes.
		Workers are subjected to outside environmental factors with no structural protection from the weather.
x		Workers are subjected to both inside and outside environments.
		Workers are subjected to extreme temperatures that are typically below 32 degrees for more than one hour at a time. May be subjected to other environmental conditions, such as wind and humidity.
		Workers are subjected to extreme temperatures that are typically above 100 degrees for more than one hour at a time. May be subjected to other environmental conditions, such as wind and humidity.
		Workers are subjected to excessive noise including enough noise to cause workers to shout in order to be heard above the ambient noise level.
x		Workers are subjected to vibrations and/or oscillating movements of the hands/arms, legs/feet, or whole body.
x		Workers are subjected to hazards such as: operation of and/or proximity to machinery with moving parts; moving vehicles; high voltage electricity; scaffolding/high places; and/or high heat or hazardous chemicals.
		Workers are subjected to atmospheric conditions that affect the respiratory system of the skin such as fumes, odors, dust, mists, gases and/or poor ventilation.
		Workers are frequently in close quarters such as: crawl spaces, shafts, manholes, small-enclosed rooms, small sewage and line pipes, and other areas that could cause claustrophobia.
		Workers are required to function in narrow aisles or passageways.
		None. The worker is not substantially exposed to adverse environmental conditions (normally engages in typical office or administrative work).
